 research@bobcaps.in

Strong revenue growth: VSTT's Q4FY23 revenue grew 48% YoY (+51% QoQ) to Rs 3.2bn as volumes surged 36% YoY (+64% QoQ) to 14.7k units aided by preponement of the festive season. Despite the volume push, festive demand supported a 9% YoY (-8% QoQ) increase in net realisation per vehicle (NRPV) to Rs 0.2mn. Strong volumes helped VSTT make up for the lag in 9MFY23 sales.

EBITDA margin expands: Raw material cost improved marginally to 68.2% of sales (68.9%/68.4% in Q3FY23/Q4FY22) owing to easing commodity costs. Gross margin expanded 15bps YoY (+72bps QoQ) to 31.8%. Other expenses were well controlled at Rs 266mn (+19% YoY/+11% QoQ) aided by positive leverage, helping EBITDA climb 81% YoY (+134% QoQ) to Rs 546mn. EBITDA margin increased 310bps YoY (+600bps QoQ) to 16.9% and PAT swelled 82% YoY (+107% QoQ) to Rs 402mn.

Focus on higher HP segment: Management expects the VSTT Zetor joint venture to have a larger revenue contribution in FY24 and believes that a major share of business will come from the higher HP segment under this JV over 3-4 years.

No capacity constraints, focus on utilisation: VSTT has the capacity to produce 30,000 tractors, of which the company manufactures only 8,000-10,000 units. Management is thus focusing on capacity utilisation over market share gains, and is targeting 100% utilisation, including production of compact and higher HP tractors.

TP revised: Given concerns over the monsoon pattern in FY24, we trim our volume assumptions and hence lower our FY24/FY25 earnings estimates by 3%/2%. On rolling valuations forward to FY25E and assigning the stock an unchanged 20x P/E multiple we arrive at a revised TP of Rs 3,218 (vs. Rs 2,802).

Outlook healthy, maintain BUY: VSTT's focus on high-end farm equipment, regional diversification (tapping regions beyond core South India market) and non-farm business contribution are helping to enhance earnings. Contribution from JV partners and technology development adds comfort. We thus retain our BUY rating.

General disclaimers

BOBCAPS is engaged in the business of Stock Broking and Investment Banking. BOBCAPS is a member of the National Stock Exchange of India Limited and BSE Limited and is also a SEBI-registered Category I Merchant Banker. BOBCAPS is a wholly owned subsidiary of Bank of Baroda which has its various subsidiaries engaged in the businesses of stock broking, lending, asset management, life insurance, health insurance and wealth management, among others.

BOBCAPS's activities have neither been suspended nor has it defaulted with any stock exchange authority with whom it has been registered in the last five years. BOBCAPS has not been debarred from doing business by any stock exchange or SEBI or any other authority. No disciplinary action has been taken by any regulatory authority against BOBCAPS affecting its equity research analysis activities.

BOBCAPS is also a SEBI-registered intermediary for the broking business having SEBI Single Registration Certificate No.: INZ000159332 dated 20 November 2017.

BOBCAPS prohibits its analysts, persons reporting to analysts, and members of their households from maintaining a financial interest in the securities or derivatives of any companies that the analysts cover. Additionally, BOBCAPS prohibits its analysts and persons reporting to analysts from serving as an officer, director, or advisory board member of any companies that the analysts cover.

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients that reflect opinions contrary to the opinions expressed herein, and our proprietary trading and investing businesses may make investment decisions that are inconsistent with the recommendations expressed herein. In reviewing these materials, you should be aware that any or all of the foregoing, among other things, may give rise to real or potential conflicts of interest. Additionally, other important information regarding our relationships with the company or companies that are the subject of this material is provided herein.

This material should not be construed as an offer to sell or the solicitation of an offer to buy any security in any jurisdiction. We are not soliciting any action based on this material. It is for the general information of BOBCAPS's clients. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Before acting on any advice or recommendation in this material, clients should consider whether it is suitable for their particular circumstances and, if necessary, seek professional advice. BOBCAPS research reports follow rules laid down by Securities and Exchange Board of India and individuals employed as research analysts are separate from other employees who are performing sales trading, dealing, corporate finance advisory or any other activity that may affect the independence of its research reports.

The price and value of the investments referred to in this material and the income from them may go down as well as up, and investors may realize losses on any investments. Past performance is not a guide for future performance, future returns are not guaranteed and a loss of original capital may occur. BOBCAPS does not provide tax advice to its clients, and all investors are strongly advised to consult with their tax advisers regarding any potential investment in certain transactions — including those involving futures, options, and other derivatives as well as non-investment-grade securities — that give rise to substantial risk and are not suitable for all investors. The material is based on information that we consider reliable, but we do not represent that it is accurate or complete, and it should not be relied on as such. Opinions expressed are our current opinions as of the date appearing on this material only. We endeavour to update on a reasonable basis the information discussed in this material, but regulatory, compliance, or other reasons may prevent us from doing so.

We and our affiliates, officers, directors, and employees, including persons involved in the preparation or issuance of this material, may from time to time have "long" or "short" positions in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein and may from time to time add to or dispose of any such securities (or investment). We and our affiliates may assume an underwriting commitment in the securities of companies discussed in this document (or in related investments), may sell them to or buy them from customers on a principal basis, and may also perform or seek to perform investment banking or advisory services for or relating to these companies and may also be represented in the supervisory board or any other committee of these companies.

For the purpose of calculating whether BOBCAPS and its affiliates hold, beneficially own, or control, including the right to vote for directors, one per cent or more of the equity shares of the subject company, the holdings of the issuer of the research report is also included.

BOBCAPS and its non-US affiliates may, to the extent permissible under applicable laws, have acted on or used this research to the extent that it relates to non-US issuers, prior to or immediately following its publication. Foreign currency denominated securities are subject to fluctuations in exchange rates that could have an adverse effect on the value or price of or income derived from the investment. In addition, investors in securities such as ADRs, the value of which are influenced by foreign currencies, effectively assume currency risk. In addition, options involve risks and are not suitable for all investors. Please ensure that you have read and understood the Risk disclosure document before entering into any derivative transactions.

No part of this material may be (1) copied, photocopied, or duplicated in any form by any means or (2) redistributed without BOBCAPS's prior written consent.

Other disclosures
