BOB ECONOMICS RESEARCH | Q3FY24 GDP

GDP growth to ascend to 7.6% in FY24

SUMMARY

INDIA ECONOMICS: Q3FY24 GDP

Ministry has kept India's growth projection at 7.6% for FY24 (7% in FY23). GVA growth is expected at 6.9% from 6.7% in FY23 led by broad based improvement, with the exception of agriculture sector and trade and transport sector. For Q3FY23 growth is estimated at 8.4% from 8.1% in Q2FY24. Moderation in growth of investment, imports and government consumption dragged the growth lower. Even as global economic outlook is laced with uncertainty, Indian economy continue showcase resilience.

Q3FY24 GDP

29 February 2024

GDP growth to ascend to 7.6% in FY24

Ministry has kept India's growth projection at 7.6% for FY24 (7% in FY23). GVA growth is expected at 6.9% from 6.7% in FY23 led by broad based improvement, with the exception of agriculture sector and trade and transport sector. For Q3FY23 growth is estimated at 8.4% from 8.1% in Q2FY24. Moderation in growth of investment, imports and government consumption dragged the growth lower. Even as global economic outlook is laced with uncertainty, Indian economy continue showcase resilience.

Jahnavi Prabhakar
Economist**Revision in Growth**

According to NSO, India's GDP growth for FY24 under the second advance estimates will be 7.6% (revised upwards from 1st Advance Estimates) against a growth of 7.3% in FY23. The nominal GDP growth is pegged at 8.9% in FY24 lower than 10.5% in budget estimations. Industries is expected to drive growth in FY24 led by strong improvement in both mining (8.1% from 1.9% in FY23) and manufacturing sector (8.5% after declining by -2.2% in FY23). Agriculture sector remain a cause of concern as it is expected to register much slower growth of 0.7% (4.7% in FY23). Sub sector of services are also likely to drag down growth. Moderation in growth of trade, hotels (6.5% from 12%), financial services (8.2% versus 9.1%) and public admin (7.7% from 8.9%) is expected in FY24.

Q3FY24 GDP

GDP growth accelerated to 8.4% in Q3FY24 against an increase of 8.1% in Q2 on a YoY basis. This was higher than our expectation of 6.4%. The improvement is on account of jump in private consumption at 7% in Q3 compared with a growth of 2.4% in Q2FY24. There has been a broad based slowdown across other sectors. Moderation in both exports (3.4% versus 5.3% in Q2) and imports (8.3% versus 11.9% in Q2) growth added to the slowdown. Growth in investment demand also eased by 8% in Q3 after registering double digit growth of 11.6% in Q2FY23. Government consumption too registered deceleration at 5.8% (from 13.8% in Q2).

GVA dragged down lower

GVA growth trimmed down to 6.5% for Q3FY24 compared with a growth of 7.7% registered in Q2FY24. This is on the back of broad based moderation across sectors. As anticipated, agriculture growth contracted by (-) 0.8% after registering an increase of 1.6% in Q2FY24 on the back of lower kharif output. However, some improvement is likely in Q4. In line with expectation, industry registered a much slower growth at 10.4%, while services recorded an improvement at 7% (6% in Q2FY24).

General disclaimers

BOBCAPS is engaged in the business of Stock Broking and Investment Banking. BOBCAPS is a member of the National Stock Exchange of India Limited and BSE Limited and is also a SEBI-registered Category I Merchant Banker. BOBCAPS is a wholly owned subsidiary of Bank of Baroda which has its various subsidiaries engaged in the businesses of stock broking, lending, asset management, life insurance, health insurance and wealth management, among others.

BOBCAPS's activities have neither been suspended nor has it defaulted with any stock exchange authority with whom it has been registered in the last five years. BOBCAPS has not been debarred from doing business by any stock exchange or SEBI or any other authority. No disciplinary action has been taken by any regulatory authority against BOBCAPS affecting its equity research analysis activities.

BOBCAPS is also a SEBI-registered intermediary for the broking business having SEBI Single Registration Certificate No.: INZ000159332 dated 20 November 2017.

BOBCAPS prohibits its analysts, persons reporting to analysts, and members of their households from maintaining a financial interest in the securities or derivatives of any companies that the analysts cover. Additionally, BOBCAPS prohibits its analysts and persons reporting to analysts from serving as an officer, director, or advisory board member of any companies that the analysts cover.

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients that reflect opinions contrary to the opinions expressed herein, and our proprietary trading and investing businesses may make investment decisions that are inconsistent with the recommendations expressed herein. In reviewing these materials, you should be aware that any or all of the foregoing, among other things, may give rise to real or potential conflicts of interest. Additionally, other important information regarding our relationships with the company or companies that are the subject of this material is provided herein.

This material should not be construed as an offer to sell or the solicitation of an offer to buy any security in any jurisdiction. We are not soliciting any action based on this material. It is for the general information of BOBCAPS's clients. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Before acting on any advice or recommendation in this material, clients should consider whether it is suitable for their particular circumstances and, if necessary, seek professional advice. BOBCAPS research reports follow rules laid down by Securities and Exchange Board of India and individuals employed as research analysts are separate from other employees who are performing sales trading, dealing, corporate finance advisory or any other activity that may affect the independence of its research reports.

The price and value of the investments referred to in this material and the income from them may go down as well as up, and investors may realize losses on any investments. Past performance is not a guide for future performance, future returns are not guaranteed and a loss of original capital may occur. BOBCAPS does not provide tax advice to its clients, and all investors are strongly advised to consult with their tax advisers regarding any potential investment in certain transactions — including those involving futures, options, and other derivatives as well as non-investment-grade securities — that give rise to substantial risk and are not suitable for all investors. The material is based on information that we consider reliable, but we do not represent that it is accurate or complete, and it should not be relied on as such. Opinions expressed are our current opinions as of the date appearing on this material only. We endeavour to update on a reasonable basis the information discussed in this material, but regulatory, compliance, or other reasons may prevent us from doing so.

We and our affiliates, officers, directors, and employees, including persons involved in the preparation or issuance of this material, may from time to time have "long" or "short" positions in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein and may from time to time add to or dispose of any such securities (or investment). We and our affiliates may assume an underwriting commitment in the securities of companies discussed in this document (or in related investments), may sell them to or buy them from customers on a principal basis, and may also perform or seek to perform investment banking or advisory services for or relating to these companies and may also be represented in the supervisory board or any other committee of these companies.

For the purpose of calculating whether BOBCAPS and its affiliates hold, beneficially own, or control, including the right to vote for directors, one per cent or more of the equity shares of the subject company, the holdings of the issuer of the research report is also included.

BOBCAPS and its non-US affiliates may, to the extent permissible under applicable laws, have acted on or used this research to the extent that it relates to non-US issuers, prior to or immediately following its publication. Foreign currency denominated securities are subject to fluctuations in exchange rates that could have an adverse effect on the value or price of or income derived from the investment. In addition, investors in securities such as ADRs, the value of which are influenced by foreign currencies, effectively assume currency risk. In addition, options involve risks and are not suitable for all investors. Please ensure that you have read and understood the Risk disclosure document before entering into any derivative transactions.
